

2026 Tri-State Wing-Off & Music Festival

Volunteer Beneficiary Application & Instructions

Thank you for your interest in volunteering for the 2026 First Peoples Tri-State Wing-Off. The upcoming event will be held on Friday, June 19th & Saturday, June 20th, 2026. As last year, we are opening the volunteer opportunities up to large groups initially. Anything that is not spoken for beyond the Large Group Volunteer Deadline will be made available for smaller groups to fill in. As a reminder, you're signing up for the entire day for one particular job. You will be responsible for providing the necessary staff for all shifts that are required. Groups have until March 6, 2026 to claim a full day station. However please keep in mind that it is on a first come, first served basis, and it is not recommended to wait if there is a specific task that you'd want. After the deadline, the remaining jobs will be broken down into smaller shifts and be filled by other volunteer organizations. Decisions on job assignments will be based on a variety of factors (submission date and performance in the position from previous year(s) will be considered).
